# STEP BY STEP TO

## *build your dream home*

Evolve Design Studio has been created to enhance your selections and building experience. Interior design should never be rushed, which is why our studio is open 6 days for you to explore at your own leisure. You can even drop the kids off in the kids' corner to keep them entertained while you are browsing. And don't forget that you can take a break, have coffee, a bite to eat at the Bold Bean Café and prepare to a preliminary list of what you like most.

1

### OPEN STUDIO

There's one thing to keep in mind: throughout the whole process, you're free to come and go in our Evolve Design Studio as you please. No appointments necessary! Whether you want to browse through our fixtures and finishes, have a second look at your selections, or simply walk around at your own pace – the welcome mat is always out for you!

2

### WALKTHROUGH

After the sales documentation has been finalised one of our Bold staff will get you acquainted with the selection studio. This is just a short appointment but it's so worthwhile. You'll get to know the way it's laid out and the different zones that make choices easier. You'll be able to match up your style with our fabulous product selections and look forward to all the life-enhancing decisions ahead.

3

### SELECTIONS APPOINTMENT

Let's get to the nuts and bolts! At your selections appointment we look at your plans and electrical requirements and selections. This is where we finalise your preferred design, make sure your floor plan is just as you imagined – everything from window sizes to door openings. What's especially great about this step is there's absolutely no pressure and no rush. We're happy to give you all the time you need to perfect your dream.

4

### FINISHING TOUCHES

This is the fun part, selecting your finishes and expressing your style. Putting paint colours alongside carpet swatches, comparing kitchen splashbacks and more: We're proud to offer you endless possibilities.
